ENGINEERS CERTIFICATE:

I F. R. Rankin a licensed professional engineer of the state of kansas hereby certify that a survey was made under my supervision of the SW$\frac{1}{4}$ of SW$\frac{1}{4}$, and the east 22 acres of the NW$\frac{1}{4}$ of SW$\frac{1}{4}$ of section 19, Township 19 south, range 1 west, in McPherson County Kansas.

Note this survey is based on the original survey notes in the office of the county Engineer of McPherson county Kansas. Also the Atchinson Topeka & Santa Fe strip map in the same office. All measurments and areas are prorated according to the notes of the above survey records.

The following measurments were taken to determine the survey; Measured along the railroad tract 2608 feet to the half section line as shown on the railroad strip map, found it to check the apparent lines. Measured the south line of the SW $\frac{1}{4}$ found it to be 2578.2 feet then prorated all measurments to establish the 1/16 section lines in said SW$\frac{1}{4}$; Measured along the west side of the SW$\frac{1}{4}$ a distance of 2640.6 feet established the 1/16 corner at 1320.3 ran east at 90°23'30" a distance of 584.7 feet and established the SW corner of the east 22 acres of the NW$\frac{1}{4}$ of SW$\frac{1}{4}$ continued on east 714.6 feet established the SE corner of the same 22 acre tract and also being the NE corner of the SW$\frac{1}{4}$ of SW$\frac{1}{4}$ of Section 19, township 19 South, Range 1 west in Mcpherson County Kansas.

I further certify the attached plat to be a representative display of said survey and that all angles, measurments and acerage shown are true and correct as far as it is known to me.

Signed this 13 day of Sept 1977.
