## SURVEYOR'S NOTES:

- 1. Extended the West line of the (PS) to intersect the South of the existing parcel (Bk. 254, Pg. 476) which was of record prior to (PS). I believe this was the intent of the Surveyor in (PS).
- 2. No references or previous surveys of record of this corner since set by (GLO). The road bed is significantly lower than adjacent grade and I found no evidence of the original (GLO) stone through manual excavation. Reset by physical evidence of fence lines North and South and in center of road per road record.
