#### SURVEYOR'S NOTES:

1. The survey of the existing parcel (Bk. 642, Pg. 6008) and the new parcel was based on the 1981 original survey by Charles Stacy. The SW corner of the original parcel created in said Stacy survey was reset by intersecting the line of the 2 found monuments on the West line of the East Half with the found monuments along the South line of the Northeast Quarter. It is unknown the origin or the relevance of the found monuments near the Southwest corner of the East Half and the near the Southeast corner said Northeast Quarter since neither fit said original survey. Therefore, neither monument was accepted for this survey.

#### SURVEYOR'S CERTIFICATE:

I hereby certify this plat to be a true, correct and complete representation of the property described hereon, as surveyed under my supervision, this 22nd day of September, 2016.
