

The diagram is a survey map of a rectangular plot of land. The plot is oriented vertically. The top horizontal boundary is labeled "44'". The right vertical boundary has two segments: the upper segment is labeled "952.7'" and the lower segment is labeled "1002.7'", separated by a break symbol (two parallel diagonal lines). The bottom horizontal boundary is labeled "44'". The left vertical boundary is labeled "1.01 ACRES" and has a break symbol near the bottom. At the bottom-left corner, there is an angle measurement of "90° 38'" between the left and bottom boundaries. The map is divided into sections by dashed lines: "LINE" is written vertically along the left and right boundaries, and "SECTION" is written horizontally along the bottom boundary. A "1/4 SECTION" label is placed near the bottom-left corner. A north arrow points towards the top right of the page. A legend at the bottom left identifies symbols: a solid black circle for "PINS FOUND THIS SURVEY" and an open circle for "PINS SET THIS SURVEY". Solid circles are located at the four corners of the rectangle. Open circles are located on the top and right boundaries, approximately one-third of the way from the corners.

I FRANCIS R. RANKIN, COUNTY ENGINEER OF McPHERSON COUNTY, KANSAS DO HEREBY CERTIFY THAT UNDER MY SUPERVISION A SURVEY WAS MADE IN THE SE<sup>1</sup>/<sub>4</sub> SECTION 23, T21S R2W OF THE 6TH P.M. AND DESCRIBED AS FOLLOWS:  
BEGINNING AT THE SW CORNER OF THE SE<sup>1</sup>/<sub>4</sub> SECTION 23, T21S, R2W; THENCE NORTH 1002.7 FEET ON THE <sup>1</sup>/<sub>4</sub> SECTION LINE; THENCE EAST 44.0 FEET; THENCE SOUTH 1002.7 FEET TO THE SOUTH SECTION LINE OF SAID SECTION; THENCE WEST 44 FEET TO THE PLACE OF BEGINNING. THE LAND HEREIN DESCRIBED CONTAINS 1.01 ACRES AND THE ABOVE PLAT IS A TRUE EXHIBIT OF SAID SURVEY AS FAR AS IT IS KNOWN TO ME.

*F. R. Rankin*
