SURVEYOR'S NOTES:

1.The 2008 previous survey GSS Project #G2008-175 revealed the original stone monument for the 1/4 corner common between sections 32 and 31 (Southwest Corner of the Northwest Quarter); therefore, the calculated and set position for said corner shown on the 1997 previous survey GSS project #G97-534 was disregarded in the 2008 survey. The monument set in the 1997 survey at the Southeast Corner of the West half of the Northwest Quarter was set using the said disregarded monument; therefore, it was not accepted for this survey

SURVEYOR'S CERTIFICATE:
I hereby certify this plat to be a true, correct and complete representation of the property described hereon, as surveyed under my supervision, this 6th day of July, 2016.
