The above is a plat of a survey made by me Sept. 24, 1935 for the Pioneer Saving & Loan Assn. to locate lot 14, block 67, Original Town of McPherson, Kansas.

The dimensions are as shown above. The wall marked "6" wall" is on lot 14 and extends from a point 62.0 ft. west of the east end of the lot to a point approximately 25.0 ft. east of the west end of the lot. The 12" wall on the south side of the lot, altho crooked, apparently was meant to be on lot 14.

County Engineer.
