

A hand-drawn site plan of a rectangular building. The building's dimensions are 142' by 150'. The plan includes several labels and dimensions:

- Top Left:** A point labeled "552" with a note "to Martin" and a dimension of "658" from the top edge of the building.
- Top Right:** A dimension of "981" from the right edge of the building to a vertical line, and "29.65" from that line to the top edge of the building. A note "70" is also present.
- Right Side:** A dimension of "150'" for the building's height. A note "34' to line" points to a line extending from the right side of the building.
- Bottom Right:** A point labeled "501".
- Bottom Left:** A point labeled "552".
- Left Side:** A dimension of "142'" for the building's width. A note "10' Solder section all" is written vertically along the left edge.
- Top Center:** A note "Side walk 5'".
- Right Center:** A note "Side walk 4'".
- Far Right:** A vertical line labeled "to Road".
