SURVEYOR'S NOTES:

1) The found monument as shown on the survey by Durr LS 697 in 1997 was not found by LS 1202 in 2001 and the position of the monument at the West 1/4 corner was ruled obliterated by Heller LS 1202 and reset. The position of monument set by Heller is 3.16 feet East of the monument location referenced by Durr and the calculated position shown by Sickmon (PS1). No reference ties were on file with KSHS or McPherson County prior (PS2). After a conversation with Heller, it was decided to accept the position of his monument for this survey.

2) Reset per (PS2) using the found monument at the S 1/4 corner and the found monument along the East line of the Southwest Quarter.
