### Report of Survey

Research of the records of McPherson County revealed the following information:

Roads: Road right of way on the South side of Section 33, T17S-R3W, 33.00' on each side of section line. Right of way on South side of parcel contains 0.7 acre.

Surveys: References for section corners found at the McPherson County Public Works vault.

Field Procedure: I searched for the following monuments: The South 1/4 corner and the Southeast section corner of said section 33. I found the South 1/4 corner and Southeast corner of section 33 in good condition. All angles and distances read with a DTM-522 total station. I set 1/2" x 24" rebars at the property pins I set.
