Report of Survey

Research of the records of McPherson County revealed the following information:

Roads: Road right of way on the South and West side of section 34, T17S-R3W, 33.00 on each side of section line. Parcel contains 1.7 acre of road right of way on the South and West side of parcel.

Surveys: References for section corners found at the McPherson County Public Works vault.

Field Procedure: I searched for the following monuments: The South 1/4 Corner, the Southwest Corner and the West 1/4 Corner of Section 34, T17S-R3W. I found the corners in good condition. All angles and distances read with a Nikon DTM-522 total station. I set 1/2" x 24" rebar with plastic I.D. caps at property corners I monumented.
