Report of Survey

Research of the records at the McPherson County Public works office revealed the following information:

Roads: Rainbow Road contains 66 feet of road right of way, 33 feet on each side of section line. Road right of way acreage on north side parcel is 0.5 acre.

Surveys: References located at the McPherson County Public Works vault. Survey performed May 22, 2002 for Jay H. and Debra Myers by W.B. Heller. I occupied existing right of way monuments for locating new locations for 8.0 acre parcel. All angles and distances read with a Nikon DTM-522 total station. No monuments were set at the clients request.
