Report of Survey

Research of the records at the McPherson County Public works office revealed the following information:

Roads: Road right of way on the West side of section 17, T18S-R4W, 60 feet, 30 feet on each side of section line.

Surveys: References found at the McPherson County Public Works vault.

Field Procedure: I used a Nikon DTM-522 total station to read distances and turn angles. I placed 1/2" x 24" rebars with plastic I.D. caps at the property pins I set.
