Report of survey

Research of the records at the McPherson County Public Works office revealed the following information:

Roads: 11th Avenue is 66.0' side, 33.0' on each side of section line. Area contained in the right of way on east side of parcel is 0.7 acre.

Surveys: Legal boundary survey by Garber Surveying service dated 12-10-1992. References found at the McPherson County Public Works Office.

Field procedure: Sections corners were not set at the S.W. corner of Section 23; Center Corner Section 23; S. 1/4 Corner, Section 23; N.1/4 Corner, Section 23 and the Center 1/16 Section 23 because of water in the Big Sink Hole and the Blaze Fork Drainage Ditch. I set 1/2" x 24" rebars at the parcel pins monumented.
