## Report of Survey

Research of the records of McPherson County revealed the following information:

Roads: Road right of way on the South side of section 6, T21S-R4W, 33.00 on each side of section line. Parcel contains 0.4 acre of road right of way on the south side of parcel.

Surveys: References for section corners found at the McPherson County Public Works vault. Neal Subdivision in Section 7, T21S-R4W by Duncan Durr, dated 10-20-2000, project #99125.

Field Procedure: I searched for the following monuments: The South 1/4 Corner and the East 1/16 Corner of the Southeast 1/4 of Section 6, T21S-R4W. I found both corners in good condition. All angles and distances read with a Nikon DTM-522 total station. I set 1/2" x 24" rebar with plastic I.D. caps at property corners I monumented.
