Report of survey

Research of the records at the McPherson County Public Works office revealed the following information:

Roads: Arapaho Road is 49.5' wide, 24.75' on each side of section line.

Surveys: Survey for K-61 Highway by K.D.O.T. dated 10-7-2004, this survey reveals a slight variance in the parcel located just west of the 1/4 section line. References for Section Corners found at the McPherson County Public Works vault.

Field procedure: I set 1/2" x 24" rebars at the parcel pins monumented. All angle and distance read with a Nikon DTM-522 Total Station.
